Spotlight on KK’s learning

KK have chosen some of their learning from this term to share with you...

Declan can make word families with magnetic letters

Ayesha reads ‘Baby Animals’ fluently

Toryleigh writes word families on the whiteboard

Nicholas enjoys reading our author study books by Pamela Allen

Jeremiah and Tommee use Reading Eggs to practise their sounds and blends

Calum reads ‘The Baby Owls’ and recognises high frequency words in the text

Ashton reads ‘Zippy Zebra’ for the first time by himself. He is using the picture cues and looking for blends and word patterns he knows

Lachlan writes word families on the whiteboard. He is changing the first sound to make a new word
