This term in 3/4C we have been learning lots of interesting facts and skills.

We have conducted experiments to find out how things work e.g. how a rocket takes off or what makes the seasons. We then wrote explanations about our findings.

We have researched information about the planets in our Solar system.

We have collected compost for our new garden and we have planted seeds.

We worked with 3-6D to create paper mache planets.

We have learnt and practised many new skipping skills and tricks...Can you do the pretzel?
