This term, students in 3-6D have been doing lots of fantastic work. These are just some of the highlights!

- We have been busy learning lots of new things in Mathematics!
- We have been learning how to use the tools in the Garden!
- We have enjoyed spending time with our Buddy Class 1M!
- We have been working hard with Miss Lansdown learning about Area!
- We have published some of our explanations using Word on the computers.
- We have been doing lots of experiments for our ‘Simple Machines’ unit!
