The Past, Present and Future of 5/60

Perfect January weather started the year
A new class was formed
Students wondered what the year ahead would bring
Time would tell

Practise our skills everyday in every way
Read Aloud is one of our favourite times of the day
Experts in our class willingly share their knowledge
Student individuality is celebrated
Everyone knows our class are the ‘All Stars’
Never a dull moment in 5/60
Taking pride in everything we do
Friends will come and go

Under the WPS banner we will ‘Strive to Achieve’

Trying new things is a challenge we all welcome

Ultimate winners in school, jobs and our families

Ready or not, here we come

Everyone will make their own path to journey along

Good luck in 2012

From 5/6 O and Miss Oliver
