This term students have had a lot of fun at camp; completing science experiments; participating in book talk and learning about maths. They have worked very hard and produced lots of good quality work.

Here’s a selection of what they got up to.

Was Ethan cooking up a storm?  
Had they caught Moby Dick?

Just tasting were you? Busted  
There’s a zombie in the house  
Wrong direction –turn around!

Time for maths. Students have worked hard to improve their maths skills.
Need an electrician?

Open Electric Circuit

Book Talk – Everyone enjoys discussing their books with each other.

Students continued to help out in the SAKG and began their cooking lessons

Green fingers, literally!  What's on the menu?  A helping hand!  

Friendly rivalry
