Throughout the term, we have seen many examples of the three Olympic values. At the end of next term, we will present Olympic medals to 3 students in each class – each student will receive a medal for one of the Olympic values.

Since our Whalan Olympics, teachers across the school have been rewarding students who demonstrate the Olympic values in the classroom, the playground and on excursions. This will continue into next term as well.

Joy of effort
Have a go at everything
Give it your best effort
Be positive and encourage others

Respect for others
Use appropriate language
Help each other
Accept difference in others

Fair play
Play by the rules
Cooperate with others
Be proud whether you win or lose
